

The following highlights several federal agency programs related to COVID-19 and the economic assistance available for businesses and the U.S. workforce. While this document is not comprehensive, it covers a host of resources relevant to energy sector entities and their supporting supply chain businesses and communities. The document is intended to be updated as information becomes available.

US Department of the Treasury

<https://home.treasury.gov/cares>

Assisting workers and businesses with small business job

Federal Emergency Management Agency

<https://www.fema.gov/coronavirus>
